Teen death drive hubby not diplomat

THE husband of the American woman granted diplomatic immunity following a fatal car crash was not registered as a diplomat, a lawyer has said.

Mark Stephens revealed Jonathan Sacoolas is not on the official diplomatic list, meaning he or any dependants may not be allowed protection through diplomatic immunity.

Mr Sacoolas's wife, Anne (*top*), 42, was granted diplomatic immunity and flew to the US after British teenager Harry Dunn (*above*) was killed in a car crash on August 27 she is believed to have been involved in.

Productivity in UK falls

PRODUCTIVITY in the UK fell at its fastest annual pace in five years from April to June, says the Office for National Statistics.

The figure – measured by output per hour – fell by 0.5%, after two previous quarters of zero growth.

Both services and manufacturing saw a fall from April to June, the ONS said, adding: "This sustained period of declining labour productivity represents a continuation of the UK's 'productivity puzzle'."

At least those climate change crusties can get a wash now...

RESIDENTS in north London have been evacuated from their homes after a burst water main flooded the area.

Up to 150 homes in the Finsbury Park area were submerged after a 36-inch pipe fractured just before 8am.

The water, measuring about 1m deep, flooded properties in Queens Drive and Princess Crescent, leading to the closure of a local primary school.

Fire crews had been "leading residents to safety where necessary".

London Fire Brigade yesterday confirmed: "Firefighters are evacuating residents from affected properties."

Several postcodes had either no water or low water pressure up until lunchtime yesterday.

However, Thames Water said water supplies later returned to normal.

The deluge coincided with the Extinction Rebellion climate change protestors' shutdown of London's streets. One resident said: "At least they'll go away cleaner than when they arrived."

The water company added that it had 100 staff in the area to take care of residents' needs.

BRITAIN BRACES FOR NO-DEAL

Merkel says solution 'overwhemingly unlikely'

By COLIN HURST
newsl@sundaysport.co.uk

A No 10 source has said a Brexit deal is "essentially impossible" after a call between the PM and Angela Merkel.

Boris Johnson and the German chancellor spoke yesterday about the proposals he put forward to the EU last week to break the deadlock – but the source said she made clear a deal based on them was "overwhelmingly unlikely".

The BBC's Adam Fleming said there was "scepticism" within the EU that Mrs Merkel would have used such language as the EU's top official warned the UK against a "stupid blame game".

President of the European Council Donald Tusk sent a public tweet to Mr Johnson, writing: "What's at stake is not winning some stupid blame game. At stake is the future of Europe and the UK as well as the security and interests of our people."

Ireland's Deputy Prime Minister Simon Coveney tweeted it was "hard to disagree" with Mr Tusk, writing: "We remain open to finalise a fair Brexit deal, but need a UK government willing to work with the EU to get it done."

Mrs Merkel's spokesman said her office would not reveal details of "private, closed" conversations.

There has been little sign of progress in talks between the two sides since Mr Johnson sent his new proposals for a deal to Brussels, with the EU demanding "fundamental changes".

Officially, the Prime Minister's spokesman said the talks – aimed at securing an agreement at next week's EU summit – were "at a crucial point", but denied they were over.

Scotland's First Minister and leader of the SNP, Nicola Sturgeon, said Downing Street's response to the phone call was an "attempt to shift the blame for the Brexit fiasco".

And Labour's shadow Brexit secretary Sir Keir Starmer told MPs the Government was "intent on collapsing the talks and engaging in a reckless blame game".

He said: "The stark reality is the Government put forward proposals that were designed to fail."

He added that it was "beneath contempt" that, according to a Downing Street source reported by the *Spectator* magazine, the UK could withdraw security co-operation from other EU countries if it were forced to remain beyond October 31.

TRUMP THREATENS TO DESTROY TURKEY

PRESIDENT Donald Trump has threatened to destroy Turkey's economy if the country goes "off limits" following a surprise decision to pull US forces out of north-eastern Syria.

In a series of angry tweets, Trump defended his move – which could open the way for Turkey to launch an attack on Kurdish fighters across the border.

The withdrawal was heavily criticised even by Trump's Republican allies.

Kurdish forces were key US allies in defeating ISIS in Syria.

But Turkey regards the Kurdish militias – which dominate the US-allied Syrian Democratic Forces – as terrorists.

On Sunday Trump took a call from Turkish President Recep Tayyip Erdogan, after which the White House said Turkey would be "moving forward with its long-planned operation into northern Syria" and US forces would "no longer be in the immediate area".

Following accusations from US Kurdish allies they had been "stabbed in the back" and criticism from the US political spectrum, Trump sent out more tweets on Monday, warning Turkey not to take advantage of his decision, saying he could "destroy and obliterate" its economy.

TURNED OUT NICE AGAIN!

Michelle to strip in George Formby bio pic

DIRTY LAUNDRY: Michelle will play Pat, above with George

STUNNING Michelle Keegan is to cause controversy by stripping for a saucy sex scene in a new biopic of tragic comedy legend George Formby.

The movie *Turned Out Nice Again* will focus on the funnyman's sexless relationship with his wife Beryl.

She was also his manager and while she helped make him one of the richest comedians of his era their marriage wasn't a happy one.

By GRACE HOOPER
news@sundaysport.co.uk

And less than seven weeks after she died George, whose songs include *When I'm Cleaning Windows* and who had the catchphrase 'Turned out nice again', announced his shock engagement to Pat Howson, a pretty school teacher 20 years his junior.

Drafts

Michelle, who recently went topless for a role in Sky One's *Brassic*, will play Formby's younger lover in the movie.

And fans of the famously gap-toothed ukelele-playing star are up in arms because early drafts of the script feature a naked sex scene between the besotted pair.

A source said: "This is going to be Michelle's break into movie acting for an international audience.

"It's not without its controversy though, as some people think that showing George having sex with a naked woman is out of order.

"But it is a huge moment in his life.

"After decades of married misery George found happiness."

RYLAN'S IN NEED!

RYLAN Clark-Neal is to take part in a "24-hour, non-stop karaoke extravaganza" for BBC Children In Need.

He will "belt out karaoke classics" during the event, which kicks off at 9am on Tuesday November 12.

Rylan (*right*), 30, said: "My love of karaoke is no secret and so I'm incredibly excited to take to the microphone and raise as much as I possibly can.

"Me and my special guests will serenade the Radio 2 family with as many karaoke classics as I can fit in to 24 hours. Don't forget to donate!"

Piers: Who has a romp in a Pizza sex-press!

SAUCY Piers Morgan asked early morning TV viewers "have you had sex in Pizza Express?" and begged them to help save the embattled chain.

The 54-year-old host (*above*) kicked off on *Good Morning Britain* after being told the restaurant may fold, because of huge debts.

Piers shocked viewers with his passion for pizza at 6am as he told them: "I can deal with almost any Brexit, any Trump mayhem, but I can't deal with this.

"I like the American Hot pizza."

To spice things up, Piers asked people at home to share their stories of dining in the restaurant, adding: "We can't let Pizza Express go under. Please, tell me your stories."

He carried on: "Did you fall in love in Pizza Express? Did you get divorced in Pizza Express? Did you have a fight in Pizza Express?"

Then he giggled as he said: "Did you have sex in Pizza Express?"

Millennials saving cash – but hurting global economy

WHINING millennials are causing a RECESSION, according to money experts.

The snowflake generation is saving more than the free-spending baby boomers did before them – and it's causing an economic imbalance, says analytics firm Raymond James.

A slowdown in spending hurts businesses and therefore the economy.

Raymond James analyst Travis McCourt blames the increase in savings to a "generational change".

Following the financial crisis, millennials began to save more as they replace "baby boomers as the primary income and spending generators".

"The U.S. consumer has had enough, so they are saving instead of purchasing like last generation, limiting demand growth," he said.

BUM TRICK DIDN'T MAKE ME A PENNY!

Gail reveals truth about Commons stunt

FAMOUS ARSE: Gail

FORMER pin-up Gail Porter has revealed she never received any money for her infamous nude shoot, which saw her arse projected onto the Houses of Parliament.

The telly presenter, now 48, was one of the most popular stars in the 1990s and posed for a number of lads' mags as a result.

She said: "I never got paid a penny for any of the lads' mags shoots.

"Remember the picture of me naked on the Houses of Parliament?

"I didn't see a penny for that – I was young.

"I went in, I did the shoot, I didn't sign anything. And that was that.

"The biggest-selling *FHM* in the UK ever, my naked arse on a building, and I didn't get a penny."

Gail said she assumed that everybody would act in a professional and honourable way with her.

She added: "I trust everybody and think everyone will look after me – and that's not the case in life."

The former *Celebrity Big Brother* star, who has alopecia and was also declared bankrupt, told how she now earns enough money to get by and does not want to ever find herself in a similar position again.

The presenter said she has a few jobs on the go, including online and voice-over work, and is careful with her finances.

Gail previously opened up about her decision to undergo a breast reduction on *Loose Women*, saying that she was always self-conscious about her womanly figure from a young age.

Brilliant Bren 'ticks all boxes' to play Trump

BRENDAN Gleeson will play Donald Trump in a TV miniseries.

The Irish actor, 64, *(above)* – known for his role as Alastor Moody in the *Harry Potter* films – will star in an adaptation of ex-FBI director James Comey's bestselling book.

US star Jeff Daniels, 64, will play Comey in the miniseries, based on the "tell-all" book *A Higher Loyalty: Truth, Lies And Leadership*.

The US president fired FBI director Comey in May 2017.

Billy Ray, who adapted the book and directs the miniseries, said: "It's hard to imagine a bigger acting challenge than playing Donald Trump.

"You have to have presence and a singular kind of dynamism. You also have to have the courage and the will to play Trump's psychology from the inside out.

"Oh, and you have to be spectacularly talented and watchable. Not many actors check all those boxes. Brendan does."

120m rats all set to invade Brits' homes

AN invasion of hungry and cold RATS are heading straight for our homes.

As the colder weather hits Britain, the population of 120m brown rats – nearly double that of human – are on the hunt for somewhere warm and cosy to nest for winter.

The rodents are responsible for millions of pounds worth of damage to homes across the UK by causing fires from gnawing through electrical cables, as well as causing structural damage to properties by eating away at beams.

And now is the time time to prepare for the invasion as rats take up residence in lofts and attics to escape the chillier weather.

Pest control experts say homeowners should act now to block up any gaps in brickwork and not to leave food out.

WILL POLE DANCE BABE'S 'SEX BRUISES' BUGGER BORIS?

Stunna 'boasted' of romps with randy PM

By COLIN HURST

news@sundaysport.co.uk

BORIS Johnson's time as Prime Minister may come to and end – not because of Brexit, but thanks to some bruises a pole-dancing woman supposedly got while romping with him!

The businesswoman at the centre of a storm about her links to Boris Johnson "bragged" about having sex with him and proudly showed off what she called her "Boris bruises", her ex-pal Milo Yiannopoulos has claimed.

And last night a media source said that if Jennifer Arcuri has photos of her "Boris bruises" he can as good as wave goodbye to Number 10.

Jennifer Arcuri's alleged fling with Mr Johnson when he was Mayor of London was an "open secret", according to Mr Yiannopoulos, a right-winger who worked in London's tech scene at the time.

He claimed Miss Arcuri had "loudly and proudly" displayed evidence of the romance and said he had tried to warn her off it.

He stressed she was not alleging the bruises were the result of any "anything abusive", but instead were "trophies" of "enthusiastic, consensual lovemaking".

Conflict

Yesterday Miss Arcuri repeatedly refused to deny a romance with Mr Johnson, who is facing a City Hall probe over alleged conflict of interest.

The PM denies wrongdoing and the American tech entrepreneur and former model, whose firms have received more than £100,000 in public money, insisted yesterday that there was no "favouritism" towards her.

Miss Arcuri acknowledged she was friends at the time with Mr Yiannopoulos, an outspoken provocateur who has been banned from Twitter and Facebook.

He said: "Boris Johnson and I put entrepreneur Jennifer Arcuri on the London tech map by headlining her events as the star speakers – me as tech expert, Boris as, well, Boris.

"She and I became fast friends. I enjoyed her giggly, larger-than-life personality and admired her shameless self-promotion.

"Jennifer and I were friends for a few years, as she schmoozed her way around the London tech scene."

Mr Yiannopoulos added: "Throughout this period, Jennifer was bragging to me and others that she was having sex with Boris Johnson in her Shoreditch flat.

"I warned her many times about getting physically involved with Boris, but it was already too late. Their affair was well under way.

"Her sexual relationship with Boris won't be a surprise to anyone around during the heady days of the Tech City boom. It was an open secret – mostly because Jennifer loved to advertise it, especially after a few glasses of wine.

"Jennifer's name-dropping of the then-Mayor of London could be exhausting. But it was also very entertaining.

"One afternoon, Jennifer showed up to a Farringdon steak restaurant in a jaw-droppingly short skirt, with plum-coloured marks on her thighs and breasts that she proudly – and loudly – described as 'Boris bruises'. She said they were the result of sex with Boris. There was no suggestion that anything abusive had occurred.

"Rather, Jennifer flaunted the evidence of her affair, wearing them like trophies. They were the product of enthusiastic, consensual lovemaking, she said."

Last night a PR source said: "If she was that proud of her Boris bruises, she may have photos. That, as we say in the PR world, is very bad optics. Boris would be f**ked."

CLAIMS: Boris with Jennifer Arcuri, who hasn't denied having a romance with him

DOGGERS 'WILL GO BREXIT BONKERS'

A NO-DEAL Brexit may lead to a rise in DOGGING, government ministers fear.

Officials planning to ease any congestion on the transport links to Dover have come up against the potential "issue".

One worried member of the cabinet confessed during the Tory party conference last week that a side effect of increased congestion in Kent from truck drivers stuck in long queues would be an increase in the number of drivers visiting "voyeuristic" sex sites in the Garden of England.

The senior minster said: "One of the things we talk about in these no-deal meetings concerns hauliers and their activities.

"The main thing is whether they will turn up at the Channel ports with the right paperwork – that could cause delays at the port which could have an effect on exports, especially commodities that are time-sensitive, fruit and suchlike.

"But the other worry about truckers stuck in Operation Stack is thart there are also dogging hotspots all over the place."

Dogging, a slang term for having sex in public while others watch, flourishes in lay-bys, car parks and woodland across the entire country.

Ministers also believe the issue is more likely to flare up with British truckers.

The minister asked: "Do Europeans even do dogging? There is something deeply British about the practice."

We all sobered up to make Trainspotting 2

KELLY Macdonald has said making the *Trainspotting* sequel was a far more sober experience than the original – when people were "still drunk" on set.

The Scottish actress made her debut in the 1996 movie and reprised the role for the follow-up in 2017.

But the 43-year-old said things were very different.

The brunette beauty told *Radio Times* magazine: "Seeing all those old faces again, and knowing all their journeys, as actors as well as characters, was really touching.

"Everybody was super fit and healthy.

"Jonny [Lee Miller] and Ewan [McGregor] were running up Arthur's Seat almost daily during filming.

"It was very different from filming the first one!

"Never mind hangovers on set, people were still drunk."

YOU can't please all of the people all of the time...

A new ad featuring the ever-divine Kelly Brook showing off her amazing figure has been slammed online.

The Christmas ad, for Baylis & Harding, sees Kelly in a stunning red dress that displays her sensational curves.

Her brunette locks styled into voluminous curls, Kelly descends a flight of stairs and answers the door to a group of friends who come in and exchange presents.

But critics hit out on Twitter. One user wrote: 'Did I just see a God damn Christmas advert in October! OCTOBER! Kelly Brook get off my screen! [sic]'.

It may be too early to think about Christmas – but it's NEVER the wrong time to celebrate Kelly's busters.

Cadet trainer tricked boys into sex acts

AN Army cadet trainer has been jailed after posing online as a 15-year-old girl to "bait" teenage boys into performing sex acts over the internet.

Jamie Hopes, 24, tricked about 40 boys into sending indecent videos of themselves, thinking they were talking to the girl.

Police traced videos posted on Tumblr to Hopes' IP address.

He pleaded guilty at Cardiff Crown Court to 15 charges and was jailed for four years.

Hopes *(above)*, from Maesteg, Bridgend county, was a training sergeant with the Dyfed and Glamorgan Army Cadet Force.

Officers found 50,000 indecent videos and images of children on two electronic devices at the home Hopes lived at with his parents, some of which he had shared with paedophiles online.

Hopes admitted causing or inciting a child to engage in sexual activity, possession of indecent images of a child, distributing indecent images of a child and possession of extreme pornography.

BANGED UP: Samuel Little and his drawings of some victims

FBI release sketches made by America's most prolific killer

By SIMON DEAN
simon@sundaysport.co.uk

A SERIAL killer who sketched portraits of his victims is now thought to be the most prolific murderer in US history.

Samuel Little confessed to murdering nearly 100 people across the US between 1970 and 2005, with FBI analysts believing the nomadic killer's claims are credible.

His total is more than three times that of America's most-famous serial slayer, Ted Bundy.

Police have verified 50 of the former boxer's 93 confessions, while the others awaiting confirmation.

Most of the 79-year-old's victims were black women and were believed to have been drug users, sex workers or others living on the fringes of society.

This meant their deaths were never investigated by the FBI.

The serial killer had been serving life since 2012 for the murders of three women when he confessed, with portraits he sketched of his victims emerging earlier this year.

Confessions

The FBI posted a page on its website "seeking help connecting victims to Samuel Little's confessions".

The bureau added that Little "remembers his victims and the killings in great detail" but is "less reliable, however, when it comes to remembering dates".

The FBI's Violent Criminal Apprehension Program, also known as ViCAP, began connecting Little to unsolved murders after a Texas Ranger tied the inmate to a 1994 cold case in the city of Odessa.

Not long after, Little confessed to strangling 93 women across the country between 1970 and 2005.

"For many years, Samuel Little believed he would not be caught because he thought no one was accounting for his victims," Christie Palazzolo, a ViCAP analyst, said.

"Even though he is already in prison, the FBI believes it is important to seek justice for each victim – to close every case possible."

SHE became a household name after starring as Anastasia Steele in the very erotic *Fifty Shades* series.

And while he's fiercely proud of his daughter, Dakota Johnson, 30, it's perhaps fair enough that her father, Don Johnson, won't be watching the movie.

The 69-year-old actor appeared on *This Morning* yesterday and was asked if he had seen the film.

He replied: "Hmmmm, image control! There are certain images as a father you don't really need to see.'

He continued: "I didn't have a clue she was interested in acting. She was always joyful on set and playing pranks on everybody.

"Little did I know, Miss Dakota was paying close inspection!"

Don, who starred in 1980s TV series *Miami Vice*, was on the show to talk about his own latest movie offering. He is set to star in *Knives Out*, alongside Daniel Craig.

Poirot plot whingers are clueless!

THE writer behind BBC adaptations of Agatha Christie novels has dismissed complaints she strayed too far from the original books.

The ABC Murders, starring actor John Malkovich (*above*) as Hercule Poirot, is among the TV dramas penned by Sarah Phelps, from Christie's novels.

Sarah, 52, dismissed some grumbles that she had not stayed faithful enough to the original stories, saying: "I don't think it's the real Christie aficionados who do their nuts about my adaptations.

"It's more that there are certain people who want the past to be white and clean. And they're not going to get that from me.

"When I was doing *The ABC Murders,* I wanted to set it in 1933, when the British Union of Fascists really began to gain traction.

"Hercule Poirot is a Belgian refugee, and the whole language of fascism was, 'We've got to reject foreigners'.

"If you listen to the language of Brexit or Trump, we're right back in that now."

ASHES TO SMASHES

Firework funeral blows up village!

By COLIN HURST

news@sundaysport.co.uk

A FAMILY who wanted to blast their father's ashes into orbit ended up launching a 'terror' attack on a village.

The unnamed family put the ashes into a plastic container strapped to giant firework-style rockets.

But far from reaching orbit, the rockets blew up and sent debris flying over the village of Woodbury, east Devon.

Bangs

Local resident Roger Stokes was in bed with his wife at 10pm when they were woken up by four large bangs.

Roger, 77, said: "We didn't know what it was. The sound was louder than fireworks.

"The debris hit our windows and sharp shards from the container were in our garden, in the road and on our roof.

"The ashes were scattered all over our bungalow.

"It was the most anti social, stupid episode I have known in more than my 70 years in the village.

"The people live in the Midlands and they have come down to Woodbury for the past 20 years.

"The father of the family died and his wishes were that his ashes were sent into orbit over Woodbury.

"There was a hell of a loud bang as they were set off around 50 yards away. People were disturbed by the noise half a mile away.

"We thought it was a terror attack. We were picking up sharp shards of plastic the next day.

"The ashes ended not in orbit but on our roof."

Traffickers held after cop rescue

THREE cops thrown into the sea when their boat crashed during a pursuit were pulled to safety by the drug-smugglers they were chasing.

The unexpected rescue occurred after a police vessel began pursuing a speedboat with four people on board suspected of transporting drugs in waters off the southern coast of Spain.

At one point the two vessels collided, causing the three officers to fall into the sea as their boat "span out of control".

A police helicopter hovering overhead used a megaphone to call those on board the speedboat to help – and they pulled the cops to safety unharmed.

But the kind gesture did not spare them when police found 80 bundles – three tons – of cannabis in the nearby water.

They were arrested for drug trafficking.

The 25-year-old can't get enough of taboo bum fun and wants TWO men to take her up the arse.

Penny, from Worthing, West Sussex, posed topless for these saucy snaps with her sweater-stretching 32E megaboobs.

She said: "I've never had a threesome, but I'd absolutely LOVE to give it a try.

"It might sound a bit selfish but, if there were two guys, I like the idea of everything being focused on me.

"I would probably take things a little further by letting them BOTH indulge in anal sex with me.

"I absolutely love it!"

MILEY CYRUS REVEALS WHY SHE QUIT AS HANNAH MONTANA:

'The minute I had sex, I was all grown up...'

THEN AND NOW: Miley rose to fame as kids' TV star before nude shoots

By SIMON DEAN simon@sundaysport.co.uk

MILEY Cyrus has revealed she couldn't carry on playing kids' TV star Hannah Montana after she'd had SEX and was all grown up.

Hannah Montana premiered on the Disney Channel in 2006 when Miley was 12-years-old.

On the hit TV show, she played the main character – a young teenager called Miley Stewart who doubles as the pop star Hannah Montana.

The series instantly became a hit, winning numerous awards, was even nominated for four Primetime Emmys, and the show made Miley a household name.

Hannah Montana ran for four seasons and finally came to an end in 2011 when Miley was 19.

Weird

But she admitted in an interview that she wanted to leave the show when she became an adult.

Miley said: "Once I was 18, it felt ridiculous. The minute I had sex, I was kind of like, 'I can't put the f**king wig on again'. It got weird. It just felt like I was grown up."

Even when she was still on *Hannah Montana*, many fans could see Miley was not the squeaky-clean teen star that everyone once thought.

Aged just 16, she had a naked photo shoot with *Vanity Fair* mag.

Then after leaving the kids' show, Miley cut her hair short and began going in a more adult direction.

In 2013, she released two hit songs – *We Can't Stop* and *Wrecking Ball* – which cemented her cutting ties with her "cute" Disney past.

Miley even made headlines for a very sexy twerk dance routine with Robin Thicke at the 2013 MTV Video Music Awards.

She became famous for dancing with her tongue out and wearing revealing clothing on stage.

Drunken cart drivers blitz!

COPS say the tiny British island of Sark is awash with criminals and have demanded pepper spray to deal with drink-drivers – even though cars are banned there.

The Channel island – whose population is just 500 and which has an area of just two square miles – sets its own laws based on Norman legal traditions.

But a police spokesman says its small force is struggling to cope with the number of criminals blighting island life.

Offences range from drug trafficking to alcohol-fuelled violence and intoxicated driving.

Cars are banned on Sark, meaning drunken motorists use tractors, horse and carts and bikes.

DATE-SNUB DRUNK IN MACHETE THREAT

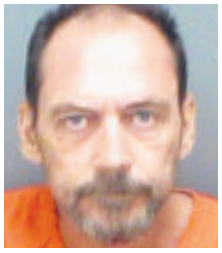
A DRUNK threatened a woman with a machete after she turned down his offer of a date.

Leonard Thomas, 55 (*below*) has been charged with aggravated assault.

Thomas and the victim argued and he became angry because she wouldn't date him.

He then pulled the machete from a sheath on his belt and raised it toward the victim and growled: "I'll cut you up!"

The victim ran away and called the police.



After his arrest, Thomas of Clearwater, Florida, refused to cooperate and yelled obscenities at cops.

He was "heavily intoxicated" at the time, according to the police report.

Thomas was arrested on a £3,500 bond and remains behind bars.

A police insider said: "This will be one hell of a hangover when he wakes up in that cell."

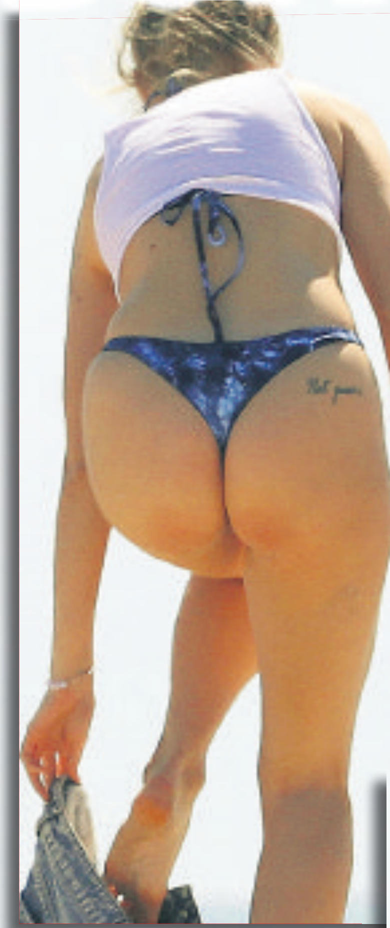
Kate's kid sister shows off her shapely trumper on the beach



REAR-LY SEXY: Beach babe Lottie

By GRACE HOOPER news@sundaysport.co.uk

NEVER mind Lottie Moss – supermodel Kate's kid sister was more BOTTIE Moss in these sensational photos.

The 21-year-old slipped off her denim shorts to reveal a skimpy bikini that showed off her pert posterior on the beach near LA.

The cheeky poppet also recently talked about her boob job. The Calvin Klein model said: "I did my boobs and I'm very happy with that.

"You've got to treat yourself, and this is one of those little treats that women like to do.

Regret

Lottie has also had lip fillers but confessed: "I told my family about my boobs, but I didn't about my lips.

"With the boobs, my mum [Inger] always knew I felt uncomfortable and so it was very easy to say that I was going to get them done.

"She was like 'For sure, I wish I'd got mine done'.

"My lips were actually something that I slightly regret.

"I did it because I was following the crowd. I didn't need it."

I am Wesley Snipes, says daft tosser

A MAN who was arrested after furiously masturbating himself in public told cops he was called WESLEY SNIPES.

Cops were called in by alarmed locals who reported the incident of public nudity at a busy junction.

When the officers arrived, they saw Dustin Michael Smith (*above*) attempting to pull his trousers up after finishing his sordid business, reports said.

A film crew who happened to be working in the area of Jefferson Boulevard and Michigan Street in South Bend, Indiana, told police that Smith had stripped naked and begun to fondle himself near their location, according to their affidavit.

The officer spoke with Smith and asked his name.

The man responded "Wesley Snipes".

Smith was charged with public nudity and false informing and hauled off to the local nick.

Better sex life could be just the job

IF your sex life leaves a lot to desired, your job may be to blame, says a new survey.

Lelo UK asked 2,000 men and women about their nookie habits, as well as their occupation.

The results showed that farmers have the most sex, with more than 33% claiming to bonk at least once a day.

They were followed by architects (21%) and hairdressers (17%).

And it seems farmers' daily sex sessions are paying off, with 67% ranking their performance in the bedroom as "incredible".

At the other end of the scale, journalists have the least sex, with 20% claiming they only do it once a month.

The survey also revealed that lawyers are the hardest to please in the bedroom (27%).

ANNIVERSARY: Host Bradley (*centre*) with show's chasers

By WENDY THOMAS news@sundaysport.co.uk

WITH a regular of four million, *The Chase* is one of ITV's most-loved daytime shows ever.

It's been nominated six times at the National Television Awards, winning in 2016, 2017, and 2019.

It has also become a huge international franchise – regional versions have been made in Australia, China, Croatia, Finland, Germany, Israel, Norway, Russia, Serbia, Turkey and the US.

The show – hosted by cheery Bradley Walsh – is now 10 years old and there's a DVD gone on sale to mark the milestone.

A popular spin-off of *The Chase* is the celebrity version, and it's attracted some top stars over the years.

Naked woman in cathedral drama rescue

A NUDE woman climbed on top of a statue on a Catholic cathedral and stayed for FOUR hours.

A police team was sent to try and talk the woman down.

A Fort Worth police spokesman said: "Negotiators tried to keep her calm, go in there, and get her off the building."

She had been spotted standing, stretching, and straddling a statue on the roof of the St Patrick's Cathedral St Ignatius Academy building in Fort Worth, Texas.

Firefighters were lifted toward the woman on the roof by crane and tried to take hold of the woman, but she waved them away.

A short time later, she reached toward one of the first responders, who grabbed her and held onto her long enough for firefighters to pull her to safety.

She was taken to hospital, suspected of suffering from a mental health crisis.

Sneak thieves take the hiss

A REPTILE lover reckons thieves who made off with his duffle bag probably thought they were taking valuables – but it was actually full of SNAKES.

Brian Gundy, who breeds and sells reptiles, gave a presentation at Martin Luther King Library in San Jose and left some belongings in a garage, to go and get his car.

When he returned, he found a bag containing three pythons and a lizard was gone.

In a video appeal, Brian said the theft was "very upsetting", adding "my biggest concern is the safety of the animals."

THE CLASSIFIED

HAPPIER TIMES: Long at his wedding to Cindy before he turned into a real psycho

MONSTERS OF DEATH ROW

THE WORLD'S MOST EVIL MURDERERS AND THE HORRIFIC CRIMES THAT SAW THEM SENTENCED TO DEATH...

WHEN Bobby Joe Long was hospitalised following a motorbike crash in 1974, his personality changed almost overnight.

He switched instantly from being a devoted husband to a sex-crazed monster prone to thunderous headaches and violent bouts of rage.

He also became a twisted serial rapist and smiling mass murderer...

By JUSTIN DUNN news@sundaysport.co.uk

SUCH were Bobby Joe Long's cravings for evil, he could to little to suppress them.

On his arrest in November 1984, the trained Army underwater welder admitted his sadistic urges.

By this point, 50 innocent women had been raped and 10 brutally killed in a spree which rocked the city of Tampa, Florida.

Long confessed: "If I didn't do it, if I tried not to do it, I'd be okay for a day or two. But it wouldn't stop.

"This would go on until I did it. Then, when I did it again, I'd be okay for a month, two months, three months... sometimes longer. And then it would hit again."

That's why Long now resides on Death Row, having been condemned to die at the conclusion of his murder trial in July 1986.

In the time since his conviction the smirking brute has shown no regret at all for the barbaric crimes he perpetrated.

Born in Kenova, West Virginia, Long had a history of head trauma that began when he was a small boy. Many experts suggest it played a big part in the slow deterioration of his psyche.

A fall from a swing rendered him unconscious aged five, and a year later he fell from a bicycle, knocking himself out and losing his front teeth.

A year later a fall from a pony resulted in a serious concussion.

Peepholes

Long's attempts to fit in with other kids weren't helped by the fact he suffered with gynaecomastia – enlargement of male breasts – because of a hormone imbalance.

He had an unnaturally close bond with his mother, Louella. He was even found to have drilled peepholes in his bedroom wall so that he could watch her undress.

Shortly after his marriage to high school sweetheart Cindy Gutherie Brown, Long had a motorbike crash that would change everything.

The force of the impact shattered his helmet and he spent months in a hospital bed with a skull fracture, a broken shoulder and a leg so mangled doctors wanted to amputate it.

Cindy recalls: "We dated for years and had a lot of fun together. We'd go to the movies, go spear-fishing down on the quays and run around the neighbourhood as younger kids.

"But after the accident he changed. It was pretty much right away.

"He started becoming physical with me. If he didn't like what I cooked he'd have a fit and we'd end up in an argument."

Long developed an insatiable hunger for sex and violence, something that eventually led Cindy to file for divorce in 1980.

After that apparent betrayal, Long went on the rampage.

Between 1980 and 1983 he became what's now known as the Classified Ad Rapist.

Long would respond to an advert and, if the woman turned up alone, he would hold her at knifepoint then sexually assault her.

He committed 50 such acts without being snared by authorities.

In 1984, his attacks reached bloody new levels.

On May 13 of that year, 20-year-old exotic dancer Ngeun Thi Long was found naked, lying face down with her hands tied behind her back with rope and fabric.

She'd been stumbled upon by a group of kids.

Poor Ngeun's legs had been forced wide apart and there was a gaping wound in her face. She'd died from strangulation.

Two weeks later the body of prostitute Michelle Denise Simms, 22, was discovered.

She, too, was nude, bound and gagged. Her throat had been slashed and her head had been bludgeoned with a blunt weapon.

Decomposition

Strands of distinctive red fibre found on both bodies told police the women had been moved from another location.

It also indicated they were dealing with a serial killer.

A third victim – factory worker Elizabeth Loudenback, 22 – soon followed. She was found in June, in an advanced stage of decomposition, having been strangled and dumped while fully clothed.

Two more women perished in October. The first, 18-year-old escort Chanel Williams, was found naked on a dirt road with a gunshot wound to the back of her neck.

And the body of Beth Dinsfriend, 28, was

INNOCENT TO GUILTY: Long as a boy and *(left)* when arrested for murder spree

discovered in an orange grove naked from the waist down, her hands and feet bound in the same tell-tale way as Long's other victims.

She had also been raped and struck on the head before being strangled. Arrogant Long was acting with reckless abandon.

Former detective Gary Terry said: "We were in uncharted waters. We were coming up with nothing, hitting a dead end with every lead we were getting.

"The killer was not covering up his bodies. He wasn't digging a grave then putting them in a hole.

"He'd kill them and then just throw them away.

"He wanted his victims to be found. And he wanted those who found them to be shocked by all the grotesque ways that they'd been displayed."

Soon, the decomposed bodies of 22-year-old prostitute Kimberly Kyle Hopps and sex worker Virginia Lee Johnson, 18, were found in quick succession.

Virginia had been strangled before being dismembered, her body parts strewn across a field.

A month later, dancer Kim Swann, 21, was found dead just outside Tampa.

Long, apparently bored, then let his guard down.

After taking 17-year-old Lisa McVey, he subjected her to a horrific 26-hour ordeal, repeatedly raping her at his apartment, forcing her to perform sex acts on him and even making her shower with him.

Predicament

Despite her predicament, knowing it was her only chance of escape, shrewd Lisa managed to gain Long's trust.

Eventually he took her for a ride in his car, a distinctive red Dodge Magnum. He stopped, opened the door and simply told her: 'Take care'.

Lisa went straight to the police and told them where Long lived and what he looked like.

But, even as cops prepared to swoop, Long was out claiming one last victim – 22-year-old Vicki Elliot. He strangled her in his car before driving around with the corpse on the front seat, even stopping for fuel while showing off his grim trophy.

When he was finally snared days later, Long smirked: "Well, I guess you got me good.

"Yes, I killed them... all the ones in the paper. I did them all.

"I knew when I let Lisa go that it would only be a matter of time.

"I didn"t even tell her not to talk to the police or anything. I just didn"t care any more.

"I wanted to stop. I was sick inside."

Long received two death sentences, 34 life sentences and an additional 693 years in prison. He will die strapped to an electric chair.

Lisa, the only victim who escaped his clutches, is now a serving Sheriff"s deputy, having vowed to protect women from people like Long.

You should also spare a thought for Long"s loyal mother Louella, who is still utterly distraught at what became of the happy, smiling child she once knew.

In a heartbreaking letter to her son – himself a father of two – upon his conviction, Louella wrote: "It's just all so unreal.

Humiliated

"I guess I've never really convinced myself you could have done these things, even though I know you did.

"It's impossible, seeing you with people and living with you, and knowing how you were with your children.

"I can still see you taking them out with the dog and going to the lake.

"What happened to that ordinary person?

"Oh son, don"t let yourself become so hardened that no-one can reach you.

"Anything I ever did that hurt you or humiliated you, I"m so sorry for. I"m so sorry for everything I didn"t do that I should have, and things I did that I shouldn't have."

Long is still appealing his sentence while showing no remorse for what he did.

In a recent TV interview he laughed: "When I saw them walking down the street, it was like A, B, C, D – I pull over, they get in, I drive off, pull a knife or gun or whatever, tie 'em up, take 'em out, and that would be it.

"They all went exactly the same way."

Miss sucked off teen after class for genius kids

SEIZED: Rothwell and school *(below)*

A SCHOOL miss specially trained to teach gifted children sucked off a teen genius after class.

Lisa Rothwell, 34, was arrested after cops swooped following a complaint from a concerned parent.

It's believed her victim was a 14-year-old pupil with an IQ "comparable to that of Stephen Hawking".

Rothwell faces six felony counts of sex offence with a student.

Hot

By COLIN HURST
news@sundaysport.co.uk

In arrest warrants filed last Friday, authorities accused Rothwell of having sexual intercourse and oral sex with a student six times between April and July this year.

It is unclear if the alleged victim is still a student and the school has not yet responded to the charges against her.

She is assistant principal at Stuart W Cramer High School in Belmont, North Carolina, with special responsibility for "gifted children".

A source said: "Well, to be fair with you, it don't take a genius to see that Miss Rothwell's one hot piece of pussy pie, yessir.

"This young man's luckier than a prairie stoat that's found a bunny-pig hole as the old pup eagle appears overhead, by jiminey."

Jail records do not list an attorney for Rothwell.

She is scheduled to appear in court next Monday.

DELICIOUS Cara Delahoyde whips out the toys when her man isn't around... but says nothing compares to a real cock.

The 25-year-old shot to fame after winning *Love Island* earlier this year.

And with the show set to return for a Christmas special, we're hoping brunette babe Cara's 30C boobs will be back on our screens too.

The Gravesend-born beauty admits she much prefers a real dick over plastic.

She said: "There is no comparison, the real thing is always better than a toy.

"Feeling the man there on top of you, having him kiss your neck, you just don't get that with a piece of plastic.

"If I'm just going for something quick, then I'll use my fingers. But if I've got an evening free and I'm alone, I'll get out the toys."

YOU'RE SAYING THE DOG SHOT HER?

Excited puppy fires gun at woman in car

By BRAD CHADWICK
news@sundaysport.co.uk

A DOG shot a woman as he was travelling in a car along a busy road.

Tina Springer, 44, was in the passenger seat of the vehicle that had stopped to wait for a train at a crossing at the time.

The yellow Labrador retriever puppy, belonging to driver Brent Parks, 79, was in the back seat and jumped onto the folding console.

Bullet

That's when a .22-calibre handgun under the console went off, sending a bullet into the woman's thigh.

In a recording from the call to emergency services, Parks told the operator everything that happened during the incident.

He told the operator: "A gun went off. Got her in the leg.

"She didn't do it herself. I had a dog in here and he stepped on the gun."

The operator asked: "The dog shot her?"

Parks replied: "Yeah, he stepped on it and it went off.

"But anyway, can you please get an ambulance out here?"

The operator then asked Parks if he had a clean dry cloth.

He said: "If I had a clean dry cloth it would've already been on her, ma'am."

Then he said he could use his belt and the operator instructed him how to use it to make a tourniquet.

Police in Enid, Oklahoma later determined that cloth from the seat covers may have become snagged into the trigger of the gun, making it discharge.

Springer, who is Parks' carer, was taken to hospital for treatment.

Police say Parks told them the gun wasn't usually loaded.

Man tells cops voodoo made him shoplift

A THIEF told police that "voodoo" made him try to smuggle items out of a supermarket.

Joshua Renfroe, 29, was caught after he tried to take more than £320 worth of merchandise out of a Walmart in a bag.

After Renfroe was arrested, he kept telling cops that "the voodoo" made him do it.

He also said "voodoo" had told him not to brush his teeth that morning.

Renfroe, from Lufkin, Texas, was arrested for theft of goods worth between £80 and £600.

He was released from jail after he posted bail of £1,200.

A police source said: "He was clearly in drink and maybe on substances.

"The voodoo line was never going to wash."

WOMAN HIDES DRUGS IN HAIR

A WOMAN was arrested on suspicion of drug dealing after police found a bag of crystal meth disguised as a bow in her hair.

Jessica Kropp, 38, was initially pulled over because of an expired licence but when the arresting cop checked he saw that she was wanted in for non-payment of fines and numerous missed court appearances.

Kropp also told the officer she did not have car insurance and didn't know where the registration for the borrowed car was.

The policeman planned to take Kropp (*left*) into custody but as she got out of the car he noticed the weird-looking bow clipped into her hair.

He found a small bag of methamphetamine fashioned like a bow on the side of her head.

As she cooperated, the cop only charged Kropp, from Baxter, West Virginia, with one count of drug paraphernalia for all her items.

Store thief hid for 6 HOURS in shop's ceiling

A SHOPLIFTER tried to avoid being arrested by hiding in a shop's ceiling for SIX hours.

Kristina Perkins, 37 (*above*), had been in the store in for several hours and had gone into the women's toilet with a trolley full of items.

When the manager tried to enter, to check on her, rubbish bins were blocking the door.

And when he forced his way in he noticed several ceiling tiles were missing, and Perkins was nowhere to be seen.

When police arrived at teh store in Fort Charlotte, Florida, they were able to make visual contact with Perkins in the ceiling by removing more tiles – but she still refused to give herself up.

Perkins eventually came down after six hours by climbing down a stack of shelves.

She was arrested and charged with criminal mischief, theft, possession of drug paraphernalia, resisting a merchant, and resisting law enforcement without violence.

Dopey burglar pockets poo pills, not drugs

A BURGLAR who thought he was pocketing strong opioids from a home he'd broken into was actually nicking LAXATIVES.

According to an arrest affidavit, Peter Hans Emery mistakenly swiped "gentle laxatives" from the house.

Emery thought the pills were hydrocodone – a powerful narcotic.

But the bottle, which was labelled hydrocodone acetaminophen, actually contained Equate laxatives for "gentle, dependable overnight relief".

Police in Pinellas Park, Florida, said Emery was caught on video breaking into a "lock box" at the victim's home and was seen pouring the alleged "opioids" into his hands.

The 56-year-old was booked into the Pinellas Co Jail and faces several probation violation charges.

WE MET ON A SEX CHEAT SITE...AND NOW WE'RE GETTING MARRIED!

NO MORE CASUAL FLINGS: Thea and Jack

A COUPLE who fell in love on an extra-marital dating site while cheating on their partners plan to marry next year and say they'll never be unfaithful again.

Entrepreneur Thea Thorpe, 30, is tying the knot with removals firm boss Jack Logan-Beddings, 36, next summer after they met on IllicitEncounters.com, the UK's leading dating site for married people.

By GRACE HOOPER

news@sundaysport.co.uk

They both cheated on their previous partners several times on the site before getting together.

But they both say they have given up cheating because they are having such great sex together.

Thea said: "I have always loved sex and I've cheated on previous partners dozens of times.

"I would sometimes have sex with three different guys in a week because I loved the variety so much.

Thrill

"I was like a Duracell bunny – I just went on and on and on.

"I liked the thrill of meeting someone new and going to bed with someone fresh.

"Often I'd meet a guy in a bar and within an hour we were in bed. The thrill of immediate sex was intoxicating.

"Now I am a changed woman.

"We have both cheated in the past, but this is a new start for both us.

"We thought being in an open relationship was the way to find happiness, because life is too short to spend all your life with one partner.

"But that all changed when I met Jack.

"I wanted to spend the rest of my life with him and that meant ditching the extra-marital dating."

Jack said: "If you had told me that I would meet the woman of my dreams on a cheating site, I never would have believed you.

"But after my first date with Thea I knew that I never wanted to share her with anyone else.

"I wanted us both to build a future together as a normal man and wife."

Thea and Jack first started dating a year ago where they live in West Bridgford, Nottingham.

Thea runs her own business training dancers and Jack has a team of removal men working for him.

Love Isle Chloe's boobs shock!

WELL, no shock there, then – a *Love Island* babe showing off her tasty teats!

Chloe Crowhurst, who appeared in the ITV2 show back in 2017, showed off her boobs in a flimsy see-through top as whe joined a host of other reality stars for Tulley's Shocktober Fest.

Molly-Mae Hague – who was runner-up on this year's series alongside Tommy Fury – was seen surrounded by spooky clowns at the press night event at Tulley's Farm in Crawley, West Sussex.

Also at the event was co-star Curtis Pritchard, although he was seen without partner Maura Higgins.

But none of the others chose to show off their busters as well as stunning Chloe.

An onlooker said: "Mmmmph!"

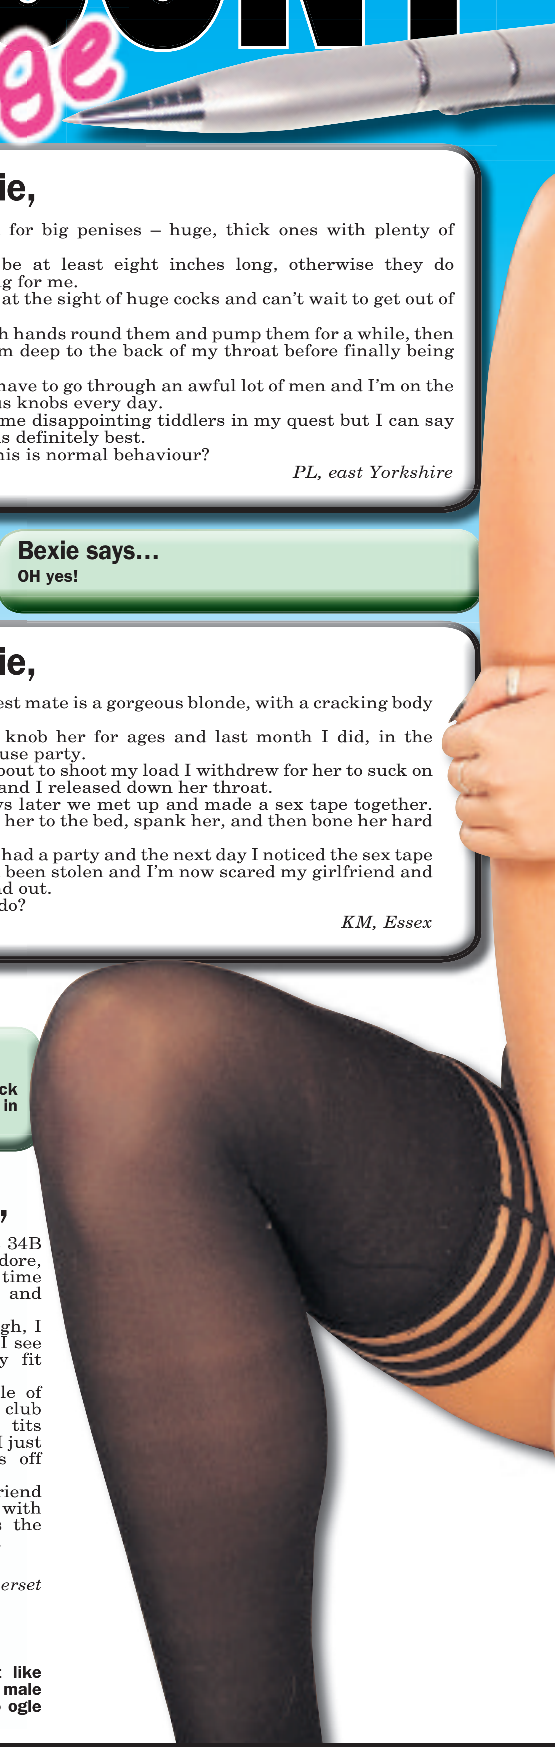
THE WORLD FAMOUS AGONY Page



Dear Bexie,

I'VE got a fetish for big penises – huge, thick ones with plenty of rigid length.

They have to be at least eight inches long, otherwise they do absolutely nothing for me.

I get turned on at the sight of huge cocks and can't wait to get out of my knickers.

I love to get both hands round them and pump them for a while, then I like to take them deep to the back of my throat before finally being filled by them.

But it means I have to go through an awful lot of men and I'm on the hunt for enormous knobs every day.

I've suffered some disappointing tiddlers in my quest but I can say that, for me, big is definitely best.

Do you think this is normal behaviour?

PL, east Yorkshire

Bexie says…

OH yes!

Dear Bexie,

MY girlfriend's best mate is a gorgeous blonde, with a cracking body and lovely 34Ds.

I've wanted to knob her for ages and last month I did, in the bathroom at a house party.

Just as I was about to shoot my load I withdrew for her to suck on my love sausage and I released down her throat.

Then a few days later we met up and made a sex tape together. She told me to tie her to the bed, spank her, and then bone her hard and fast.

But last week I had a party and the next day I noticed the sex tape we had made had been stolen and I'm now scared my girlfriend and best mate will find out.

What should I do?

KM, Essex

Bexie says…

BUY a safe and lock stuff like this away in future!

Dear Bexie,

MY fiancée has pert 34B breasts, which I adore, and I spend a lot of time playing with them and sucking on them.

The thing is, though, I get turned on when I see a nice pair on any fit woman.

There are a couple of girls who go in my club and have 36D-plus tits and I have to admit I just can't keep my eyes off them.

I sit with my girlfriend and imagine playing with these giant jugs as the two girls toss me off.

What should I do?

LC, Somerset

Bexie says…

NOTHING. You're just like 99 per cent of the male population who like to ogle other women.

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week BEXIE WILLIAMS has been reading through your letters. And here's her advice for you…

Sex with older woman is just threemendous

Dear Bexie,

I'M 22 and single and I have always wanted to do it with an older woman.

A few weeks ago I bumped into an old pal and he told me he was shafting a randy 53-year-old when her husband, a driver, was away.

His boasts made me green with envy – and I told him so.

But he told me the woman had a fantasy about being screwed by two young studs at the same time.

He asked me if I'd be up for it and I immediately said yes.

The next time her hubby set off on one of his trips, we were round at her house in a flash.

My stomach was turning over because I was half expecting her to be a right old boiler, but I couldn't have been more wrong!

As the door opened, we were greeted by a gorgeous redhead. My mate kissed her and then, after a short conversation, she turned to me and said: "Don't I get a kiss from you as well?"

She grabbed my head and gave me a passionate smacker full on the lips.

As she did so she fondled my arse and said she liked a neat, tight bum.

Gobbled

Then we all went upstairs and started to undress. She had a surprisingly fit figure and I soon had a huge hard-on.

My mate quickly mounted her and she told me to kneel on the bed next to her head so that she could suck me off as he banged away at her minge.

She gobbled me almost to completion as my pal thrust into her.

Then we swapped over and she got on all fours for me to give her a good seeing-to as she noshed my mate.

We had an amazing time as we shagged her in just about every position possible.

In fact, we stayed with her the whole night and she was insatiable.

I would never have believed a woman of 53 could be so sex-mad. She was like a randy teenager!

We now have regular threesomes and they just get better. The only problem is that I feel a bit guilty about shagging her while her husband's away earning money to pay the bills.

Is this justified?

PY, west Midlands

Bexie says…

OF course it's not, but this woman is clearly intent on having a varied sex life.

Park jog ended in bonk in bush

Dear Bexie,

I WENT out for my regular run in the local park one morning a few days ago and ended up shagging some stunna in a bush.

Me and this blonde babe somehow managed to run into each other – we both had headphones on so I suppose we weren't paying too much attention to where we were going.

Anyway, the thing is, as we both apologised to each other there seemed to be some kind of instant attraction between us.

Within minutes we dived into some thick bushes out of sight from other joggers and started tearing each other's clothes off.

I pulled aside her sweat-drenched knickers to lick her out and she moaned with delight.

Throbbing

Then she returned the favour by sucking on my throbbing manhood as she gently stroked my balls.

I then got her on to all fours and shagged her doggy-style for what seemed an age and she kept urging me to go harder and faster.

But I managed to pull my thigh muscle as we both orgasmed. Now I can't go running for a few weeks and we'd arrange to meet up in the park again for some more nookie.

Any advice?

TR, Tyneside

Bexie says…

STICK some ice on it – and I don't mean your leg!

Dear Bexie,

I CONSIDER myself well lucky because my girlfriend loves giving me excellent blowjobs.

I think it's even better than shagging to see her blonde head going up and down on my knob as she builds me up to an explosive orgasm.

She takes me deep to the back of my throat and willingly swallows my man muck.

But lately the pleasure has been dulled a bit by her wanting to experiment with putting all sorts of food on my prick.

She keeps asking me to dip my member in stuff – the stickier it is, the better she likes it.

So I've had to plunge my helmet into yoghurt, honey, cake mix, jam, all sorts of stuff from the fridge or cupboard.

Her favourite is peanut butter, which she rubs on my erect tool with her fingers.

She loves to slowly lick it all off before doing it all over again, with my juices mixed in.

Trouble is, she's piling on the pounds with all the extra calories she's swallowing.

What should I do here?

GE, Dorset

Bexie says…

SUGGEST she doesn't swallow what she puts in her mouth!

'Playing with a girl while a guy pounds me from behind is a hot thought'

#MY SEX FANTASY

...WITH ROXY TAGGART, 28 34DD-24-34 FROM YORK

MY ultimate fantasy is to go to one of these high class sex parties held in a posh mansion.

I know there are masked balls and the idea of getting glammed up and everyone there being anonymous and mysterious is such a major turn on!

I love the film *Eyes Wide Shut* with Tom Cruise and Nicole Kidman, and it reminds me of that.

I've never done anything like that before. I've never even had a threesome, so it would be totally wild for me to go to one and totally lose my inhibitions and get some group action!

I promised myself I would tick some things off the bucket list before I'm 30 and this could be one of them!

I've never been with a woman, but I do lust after kissing and caressing a curvy brunette with big boobs.

Playing with a girl while a guy pounds me from behind is a hot thought.

So too is lying back while several guys ravish me.

Oh my, now I'm getting aroused just thinking about this. I need to make it happen!

HAYLEY FINCH

By SIMON DEAN
simon@sundaysport.co.uk

STUNNING Hayley Finch is one of the most successful glamour models ever to grace the pages of the *Sport*.

The babe, who is now 38, made her topless debut in Britain's favourite newspaper back in 2001.

She went on to be a regular for more than a decade – amassing a horde of fans thanks to her good looks and ENORMOUS 34G boobs.

The blonde beauty also made waves in television. She starred in the Sky TV's *Brainiac: Science Abuse* as well as hosting various shows on *Playboy TV*.

Hayley said: "Modelling for the *Sport* was incredible – it opened so many doors for me.

"And the reaction I get whenever a reader recognises me is amazing. I love those guys!

"My glamour days really were the best of my life!"

EXCLUSIVE! The world's poshest porno is here at last!

IT'S finally time to say goodbye to the creepy Crawleys of Downton Abbey and hello to the horny hotties of buxom Bottomley Manor!

For all you red-blooded fellas who love your porn but are bored to tears by dull *Downton Abbey* this is your lucky day.

Released last week, the UK's most highly anticipated adult movie is available exclusively through the *Sport's* adult partner *Private Shops* and, for a limited time they're offering readers another **£5 OFF** the already low, low price.

Down On Abby is a big budget, full length adult masterpiece starring porn legend Ben Dover and a cast of the hottest adult stars around. It will transport you to Bottomley Manor, home to the Lord Grabhem (played by Ben Dover), his wife (and 2014 AVN nominee) Jasmine Jae, and their two young promiscuous step-daughters, Abby and Fanny.

The Grabhems have invited the Stiffies to dinner and their staff, led by butler Smallc*** and footman Master Bates, hurriedly prepare to receive their honoured guests.

But during preparations some members of staff have their own ideas of how to make the night go with a bang! As dinner approaches it seems everyone's got more than fancy nosh on their minds. Mind you, there is plenty of noshing as well as lots of other filth that will even cause a crease in Carson's keks.

We see plenty of R18 DVDs at the Sport but this one is really something special and one you MUST not miss!

This future classic stars Ava Dalush as Missy, Cathy Heaven as Lucy, Emma Leigh as Betty, Jasmine Jae as Lady Wanda Grabhem, Jasmine James as Fanny Grabhem, Jess West as Lady Stiffie, Lexi Lowe as Abby Grabhem, Ben Dover as Lord Will Grabhem, Big Bad Dave as Smithers and Clarke Kent as Master Bates.

EPIPHANY

BUSTY Epiphany is so fit she doesn't need a surname.

That's according to bar worker Zach Griffins, 28, who has a major crush on the 27-year-old Chester model.

Zach, from Barnstaple, said: "The very best only need one name – just like Jordan – and Epiphany is the same.

"She's one of the all-time great glamour models. She has quality 30D boobs and a peachy bum – just my type.

Nobody matches up to her!"

MARINA VISCONTI

TRANSPORT boss David Sampson can't stop ogling Marina's 34Es.

The bus driver, 46, from Hackney, said he'd love to take 27-year-old Epiphany, from Leeds, for a ride and has planned the perfect journey for them.

He said: "A date with Marina is my dream and I'd happily take her for the ride of her life – she'd not want to get off.

"For now, if you could publish a pic in the paper, that would keep me happy all day long…cheers!"

SAM HUGGINS

GARDENER Kevin Parker says he would jump at the chance of tending to Sam Huggin's bushes.

The 53-year-old, from Stockton, fancies the pants off the Brighton model, 24, and said he'd love to see her in the nude.

He wanted a peek at her 32C assets – and a little more – adding: "I'd love to have her on a job with me for the day.

"I reckon I could teach her to trim the hedges.

"And she might even let me see her lady garden."

WITH HIS SPORT ODDS AND ENDS

DUTCH MASTER: Koeman

GO DUTCH TO KEEP IT CLEAN

THREE of the home nations have vital Euro 2020 qualifiers including Northern Ireland who travel to the Netherlands. The Dutch gained revenge for their home loss to Germany in the spring with a 4-2 win in Hamburg last month, and the Oranje will leapfrog Northern Ireland in the Group C table if they win in Rotterdam.

The omens aren't great for Michael O'Neill's side given they were no match for Germany in Belfast while the Dutch have won their last 14 games at the Stadion Feijenoord. This is the hosts' first home game since they reached the final of the Nations League in Portugal back in the summer and I can't see past a comfortable home win for Ronald Koeman's side.

The Netherlands are 1/7 with BetVictor with Northern Ireland 19/1 and the draw at 13/2. The recommendation is for the Dutch to win to nil at 7/10.

Wales meet Slovakia safe in the knowledge that they won the reverse fixture 1-0 back in the spring although Ryan Giggs' side need to get at least a point in Trnava after their defeats in Hungary and Croatia back in June.

Slovakia's 2-1 win in Hungary means they currently sit within a point of Croatia at the top-of-the-table, but Wales can welcome back Aaron Ramsey from injury and do have plenty of attacking options, although they must again do without Bournemouth's David Brooks.

Slovakia lost 4-0 at home to Croatia and Wales will move level with the hosts with a win. Slovakia are 13/10 with Wales 85/40 and the draw at 21/10. The tip is Wales – draw no bet – at 6/5 with BetVictor.

Reverse

Scotland must do without suspended Scott McTominay in Moscow and Steve Clarke's side must win in the Luzhniki Stadium to have any chance of automatic qualification for next summer's tournament, although they are still in pole position to reach the play-offs courtesy of last year's Nations League exploits.

Russia will qualify if they win and Kazakhstan and Cyprus draw, and they won the reverse fixture in Glasgow last month. It is hard to make a case for Scotland with the Russians having won their last five internationals while conceding just once in the process.

Russia are 1/2 at BetVictor to win the tie with Scotland 8s and the draw at 29/10. Dundee United's Lawrence Shankland is likely to make his debut for the visitors in Moscow with Oliver McBurnie having dropped out of the squad through injury on Monday.

Scotland play Russia this morning in a must-win game in the Rugby World Cup in Japan with the Scots having to play the hosts on Sunday in what is likely to be the pool decider. The Scots have made 14 changes to the side who beat Samoa 34-0 in Kobe last time with coach Gregor Townsend having more than one-eye on Sunday's game in Yokohama.

Russia have lost all three pool games so far and they are Evens with BetVictor against Scotland with a 33 point start on the handicap.

Scandis come in handy for Reds

LIVERPOOL LINE UP DOUBLE NORWEGIAN SWOOP

LIVERPOOL are lining up a move for two young Norwegian stars.

By PAUL THOMAS

The Reds are being strongly linked with Real Madrid playmaker Martin Odegaard.

And they have stepped up their interest in Red Bull Salzburg striker Erling Braut Haaland.

The former was tipped for the very top when the Spanish giants snapped him up from Stromsgodset at the age of just 16.

He made just one appearance for the first team before being loaned out.

The 20-year-old has come into his own this season pulling the strings for Real Sociedad. He has been named as La Liga player of the month for September and Madrid would be happy to cash in when the transfer window opens again.

He fits in well with Liverpool's policy of buying young players and he could be available for around £25m, which could be a snip if he continues to improve.

Wolves and Manchester City are also sniffing around but Odegaard is unlikely to sign for the champions as his time on the pitch could be severely restricted.

It could be a similar situation at Liverpool although the Reds are a little short of creative midfielders and there could be more scope to play.

As for Haaland, he is already making waves for RB Salzburg.

The 19-year-old has scored a fantastic 18 goals in just 11 appearances for the Austrian side.

Prospect

He averages a strike every 45 minutes and scored with his first touch when coming off the bench in the Champions League at Anfield last week.

He moved from Norwegian side Molde to Austria in the summer for just £4.5m.

It's hard to put a figure on how much Salzburg would want for their hot prospect but they are likely to demand around 10 times what they paid.

But Haaland is already establishing himself as one of the hottest prospects in Europe and Kop boss Jurgen Klopp knows his value will only rise.

He is on the record as being a fan of former City and Leeds midfielder Alf Inge's son.

Klopp said: "Norway has good footballers. He's a wonderful player, very young, very confident, very quick, clear-minded on the pitch.

"He is a proper threat and looks a decent player. The future of Norwegian football is safe."

DRAGON DAN ALL FIRED UP

DANIEL James believes Manchester United's struggles can help him do the business for Wales.

The young winger has been the only bright spark in a tough start to the season at Old Trafford. Rather than fighting for a top-four spot, the Reds need to start winning or they could be dragged into an unlikely relegation battle. They sit just two points above the drop zone going into the international break.

By JOHN ANTHONY

United have made their worst opening to a campaign since the 1980s and pressure is growing on boss Ole Gunnar Solskjaer.

But James has given the Old Trafford faithful some hope with his lively performances on the wing.

He cost just £15m from Swansea in the summer and already looks a real snip at the price.

Now Wales boss and United legend Ryan Giggs is looking to James for the same level of effort in a Dragons' shirt.

And the youngster believes the ups and downs of life in Manchester have already made him more prepared for the international stage.

James said: "It's important in football to react when things aren't going so well.

"It's alright when things are going good, but it's important to deal with things when they are bad. It was the same when I was at Swansea and things weren't going so well. I've always dealt with it exactly the same.

"I've had a good start personally at Man United and I'm enjoying my football. It's about taking that into playing for Wales as well."

The Dragons have two tricky games against Slovakia and pool-toppers Croatia.

They kick off four points behind them with a game in hand so beating them in Cardiff would be a massive boost.

James added: "If you'd said a year ago what was going to happen to me I'd have said 'don't be silly'.

"It is massive progress in the space of a year being a Man United regular and playing for Wales.

Trouble

"But things happen so quickly in football you have to be ready for anything. That goes when things go badly as well.

"A year ago I wasn't really playing for Swansea and everything just happened so quickly.

"It is just a case of how you grasp that. Everyone who speaks to me just says be yourself and don't let anything trouble you.

"I think having established myself at Man United so quickly has helped me. There is going to be pressure going into these games this week, but I'm used to that now.

"European football is similar to playing away in these countries.

"When you are expected to win the group then going away to any team with different atmospheres, pitches and cultures, then it is really difficult."

"We've got two massive games this week but the gaffer says we are capable of doing anything as a team. If we can go to Slovakia and win it would be a big statement."

LONG WAY TO GO SAYS MICK

By ANDY MILLOM

LAY off the Longstaff brothers says Geordie legend Michael Carrick.

The brothers played alongside eachother for the first time in the Premier League as Newcastle beat Manchester United at the weekend.

Sean has been established in the side for a while but 19-year-old Matty took the limelight with a sublime winning goal.

The brothers have already been compared to Paul Scholes and Carrick in the heart of the Toon midfield.

They have plenty of energy and quality so boss Steve Bruce is likely to keep the pairing together.

But Carrick is warning that it's far too soon to put so much expectation on the Longstaffs.

He said: "I don't like comparisons to be honest.

"It's not fair on Sean if anything. He is carving his own career out for himself and has got his own traits and strengths.

"He is obviously a fantastic talent and doing well at the moment. He's still very young. In terms of Premier League games he hasn't played an awful lot of games but the future is obviously bright for him."

Carrick is concerned about Matty being thrown under the spotlight so soon after making his Premier League debut.

He believes how he and his brother handle the attention will determine how far they go in the game.

Carrick added: "Any youngster, not just Sean or Matty, you'll get the chance and it's a big high. It's your decision then. Do you want more? Do you keep pushing and never be satisfied?

"You see some get a big high and have one or two years then by the time the career ends it's petered out.

"It's been too much too soon, for whatever reason, success or money. It's a big part of the mentality.

"I always enjoy seeing young lads get a chance. Until they get a chance you never know what you've got.

"And quite often they surprise you in such a positive way."

WORRY: Vunipola

Vunipola to sit out France decider

RUGBY WORLD CUP

BILLY Vunipola looks set to sit out England's final pool game against France.

Eddie Jones' men have booked their place in the quarter-finals but need a win to make sure they take the section.

It's not clear whether that would be a help in getting to the World Cup final.

The winners of Pool C are likely to face Australia in the quarters and the All Blacks in the semis.

For the runners up, it looks more likely to be Wales next before facing South Africa for a place in the final.

Either way, England would like to beat Les Bleues but not enough to risk Vunipola who is nursing the ankle injury that forced him off against Argentina.

There are expected to be several changes to the side that beat the Pumas last weekend.

The Saracens No8 has been training away from the main squad and could play against France if needed.

He is the only player to have started all 12 England internationals this year which underlines his importance to Jones.

Carrier

Mark Wilson is likely to step in, which is no issue for Red Rose scrum-half Ben Youngs.

He said: "We still have a luxury of carriers. Billy has been terrific for us, but he missed the autumn recently and Mark Wilson was the player of that series.

"Billy does suck in lots of defenders and he's a great carrier for us, but those other guys carry the ball differently because of the lines they pick for their runs.

"They are a bit more subtle about where they pop up.

"We're blessed with some of the back rows that we have got, but we're very confident they'll carry us on to the front foot."

England attack coach Scott Wisemantel says it makes no difference who they may or may not face as the tournament goes on.

He added: "We have to prepare for the game and see how it goes.

"Regarding the permutation around the game and shared points, we are just concentrating on playing to win."

CITY TAKE CHIL PILL

Pep wants Ben to fix hole at back

By JOHN ANTHONY

MANCHESTER City are set to bid £50m for Leicester defender Ben Chilwell.

Pep Guardiola knows he has a problem at left-back with new boy Oleksandr Zinchenko struggling to make the position his own.

The Spaniard sees the much admired Chilwell as the ideal man.

He was linked with Liverpool before Andy Robertson hit top form and is a favourite of England boss Gareth Southgate.

The 22-year-old is also on Chelsea's radar and is Frank Lampard's No1 target when the Blues are allowed to buy players again next summer.

That could see Pep swoop and get the deal done in January before a bidding war breaks out with the Bridge Boys.
